- 3 INDOOR COURTS
- 3 ARTIFICIAL GRASS COURTS
- 3 POROUS MACADAM COURTS
- KIDS ZONE

The coaching team:

Chesterfield Lawn Tennis Club is one of the longest established clubs in the Midlands area. In April 2005 the club built three indoor courts, 3 artificial grass courts, 3 porous macadam courts and a Kids Zone funded by the LTA and the Coalfields Regeneration Trust. These facilities have made the club one of the best in Derbyshire.

There are a variety of social and competitive tennis opportunities for players of all standards. For this reason we organize various nights to accommodate the range of tennis needs within our club. These are listed below.

Please remember that these evenings do not prevent other members from using the courts at these times.

Club Sessions	Day	Time	Standard
Ladies Team Practice	Mon	6-9pm	Team Standard
Men's Team Practice	Tue	6-10pm	Team Standard
Social Tennis	Wed	7-10pm	All Standards
Mixed Practice	Thu	6-9pm	All Standards
Junior Night (term time only)	Fri	6.30-8.30pm	Able to play a full court game

The club also has mens, ladies and mixed teams in both Sheffield and Chesterfield tennis leagues, so players of all club standards can enjoy competitive tennis if they wish.

*Our newly built indoor tennis centre is also open to non-members.*

Our junior section is an important part of the club. Under the guidance of our Tennis Development Officer, Paul Hatton, we are an accredited performance centre for the LTA and receive funding to develop our junior players.

There is a free junior night for all our junior members on Friday evenings which is fully supervised. The club also has a variety of junior teams in local leagues.

## JUNIOR COACHING

Mini Tennis is where it all starts for children aged 3-11. This is a three stage progression of modified tennis equipment and court sizes, which will enable children to develop the necessary technical, tactical, physical and mental skills required in the modern game. Each stage has a colour code: Red, Orange and Green. Starting with Red the children play on a 12m court with a 21inch racket and a sponge ball. As they progress the court size, racket length, speed of ball, height of the bounce and length of the game will increase until they reach the full game.

Please see table below for details of times of sessions which run in blocks according to school half terms.
